

**The Nederland Economic Development Corporation in Partnership  
with Jerry Diaz, present:**

**“Taking it To the Streets” - A Fall Concert Series**

Each Thursday evening during the month of October there will be a concert from 6:00-8:30 for anyone to attend free. This is a quality-of-life event we want to offer to our community. We are seeking sponsorships for each night and would love to have you partner with us in this effort. The sponsorships help to cover the costs of Police on Duty, Sound System, Rental of the Flatbed Trailer, Band Fees, Porta Bathrooms and Garbage.

If you would like to be a sponsor, please let us know soon. The levels of sponsorship include your company banner hanging from the band stage, company name mentioned in all marketing and social media.

Sponsorship levels are

\$250.00

\$500.00

\$1000.00

\$1500.00

\$2000.00- covers the cost of one concert (you would be the only sponsor this evening)

Two of the concerts will be held in front of the Nederland EDC Office on Boston Avenue so people can sit on the streets and in the grounds around the area. The other two concerts will be held at First Methodist Church Nederland on the grounds. We will also have food vendors from Nederland so anyone can purchase food to eat while enjoying the concert. The streets will be blocked off for all four concerts. All bands and concerts are family friendly.

WE THANK YOU FOR YOUR SPONSORSHIP
